Arshne Lupin has stolen the Sultan Diamond under the nose of the French Police and Sherlock Holmes has sworn to recover the stone and arrest his rival - all in less than a week This French stage play pitting France's notorious Gentleman Burglar against England's Great Detective has never before /5(9). Sherlock Holmes Versus Arsene Lupin (known in North America and some parts of England as Sherlock Holmes: Nemesis) is an adventure game for Windows-compatible computers. It was developed by the game development studio Frogwares, and released in October, After a failed investigation by the Suretes Inspector Ganimard the French Police decide to call for the help of the famous English detective, Sherlock Holmes, who has sworn to solve the mystery, recover the stone and arrest his rival all in less than three days! Indeed, this Sherlock Holmes game throws everything at you, and then some! Fortunately, a built in guide helps the player every step of the long and tortuous way, and the dialogue also sheds much light on the infamous Arsene Lupin's next nefarious move/5.

The 'meeting' between Lupin and Sherlock Holmes happens mostly off stage until the grand finale and neither character comes across very well. Most of the action focuses on a young French student and amateur detective, who manages to hold his own against the gentleman thief.4/5. Aug 18, A year after his debut, Lupin faced off against Holmes (or rather Herlock Sholmes), in a series of short stories that were collected together as Arsene Lupin vs. Herlock Sholmes. While earlyth-century Brits favored detective heroes in their fiction, the French tended to enjoy criminal protagonists such as Lupin and the surreal serial killer Fantomas.
