Emperor Hirohito and the February 26 Army uprising --The decision to end the war --Schemes for survival of the imperial line --One thousand letters that saved the emperor --Emperor Hirohito is not to abdicate --The Emperor Hirohito in war and peace--confrontation with MacArthur. Responsibility: Ikuhiko Hata ; edited by Marius B. Jansen. The book, which is not a biography or a general history of the Showa era, focuses on five decisions taken by Emperor Hirohito, which the author considers the key turning points of his reign: these concern the 26 February insurrection of young army officers, the termination of the Pacific War, the post-war constitution, the issue of abdication and the San Francisco Peace Treaty.

Hirohito (), known posthumously as Showa, was emperor of Japan during World War II and Japan's longest-serving monarch in history. BACKGROUND Hirohito was born in Tokyo during the reign of his grandfather, a transformative time in Japan known as the Meiji Period.
