Religion & Spirituality Kindle eBooks @ [chrisanddebby.com](http://chrisanddebby.com): Your Circle has the power to make you or break you. You are the company you keep and that company will ultimately help lead you to your dreams or your destruction. Know Your Circle will not only help you identify the bad apples in your circle, it will help you build an unbreakable team /5. Work hard for what you want because it won't come to you without a fight. You have to be strong and courageous and know that you can do anything you put your mind to. Know your circle. Sometimes it's the ones that are riding with you that really aren't riding for you. Sometimes it's the ones that you'd throw a punch for that wouldn't take one for you, and sometimes it's the ones you'd take a bullet for that's behind the trigger.
